1 // Colby, KS Travel west, where the landscape is as untamed as the broncs in the ring. Stop in Colby for a tasty **dinner** and our hotel for the night.

2 // Cheyenne, WY Three days of rodeo action starts today at the **Cheyenne Rodeo**. Broncs, bulls, bolos and bozo keep us entertained, and the rest of the day is ours to watch street performers, enjoy carnival food or help ourselves to midway fun.

3 // Cheyenne, WY Day three begins with the **Grand Parade**. The parade is a cheyenne tradition featuring fabulous floats, horse-drawn vehicles and marching bands. Then, visit the **Old West Museum**, full of cowboy memorabilia and featuring over 150 horse-drawn vehicles. Spend the rest of the day watching more exciting performances at the **Rodeo**.

4 // North Platte, NE Start the day at the famous **pancake breakfast**, sharing this experience with thousands of other rodeo enthusiasts. Get a look behind the scenes with a **"Behind the Chutes" tour**. Follow the path of the bulls and broncs as the animals are rounded up and threaded through the maze of gates on their way to the chutes and out into the arena. Celebrate the day when the east met the west, when the golden spike was driven to finish the Transcontinental Railroad in 1869. Rise to the top of **Golden Spike Tower**, overlooking the world's largest rail yard and symbolizing westward expansion. **Dinner** is included.

5 // Home Ride home after a spectacular classic western experience.
